

WORK FROM HOME SUCCESS STRATEGIES

Ideas For Networking with Co-workers

Ways to Help with Team Building and to Make Working from Home Fun for All:

- **Activities** - Virtual Happy Hours, Book Clubs, Movie Watching (such as Netflix Party)
- **Icebreakers** - Conversation Starters
- **Games** - A Peek Into Each Other's Homes (a “funny” way to get to know your remote team members) or Show and Tell!
- **Coffee Sessions**
- **Picture Sharing** - If you don't have much time for team bonding, this bonds the team with little effort and make everyone laugh and smile!
